Ang tahāy kayanas atraryānyena: Ya mitanya eda-nyānang kāryo simil Kahani siyā ang tabanja tenasnama nay karsyāng. Māy iltā navayās. Moyyon eda-atrarryānang-hen, yam vacongyang ilisayam eda-koyās gan si eda-nyānang kāryo tadayya sarisa. Nyānang-hen kāryo menanya ganjas. (Nārya ko-koronyan tan-kay.) Sa da-tilayang kayto ilisān nā:

YAM LATUN DIYATAN

TADAYYA SI YĀNG YANAS KIVO

¹ Antoine de Saint-Exupéry's classic tale *Le Petit Prince* ("The Little Prince," published first in the U.S. in 1943 at Reynal & Hitchcock and in 1945/46 in France at Gallimard) has been out of copyright in many countries of the world as of January 1, 2015 – except in France due to the "mort pour la France" clause, which adds 30 years to the usual 70-years-post-mortem copyright term for people who died in war fighting for France. Since I'm neither French nor living in France, however, I assume to the best of my belief that it is legal for me to publish this partial translation of *The Little Prince* into my fictional language Ayeri, also including the drawings that go along with the text, explicitly without monetary gains in mind. Even though I used the French text (as published by Schoeningh, Paderborn, 1991) as the source of my translation, no portion of the French text has been republished here. — Marburg, Germany, May 13, 2015.

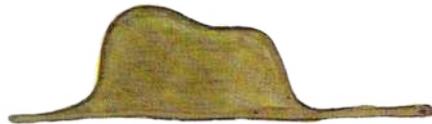

— I —

KADAYYA si ang tahāy pericanley miye, ang silvay mə-tadayya gebisanas nanang koyaya na Vinim Hogo siya garayos “Ninganye Tetenisa”. Ang telbayo gebisan segasas boa si ang məkungyo kimburangas.

Ya nararey koya: “Ang kungasayon ikan-ikan segasye boa kimbisanas ton, tabadoytong. Ming mangasatong epang nay ang torasayon luga konkyanya miye bomanena ton.”
